

1a	2a	3a	4a
1b	2b	3b	4b
5	6		7

The diagram consists of a grid of cells. The top two rows are labeled 1a-4a and 1b-4b. The bottom row is labeled 5-7. Arrows point from the bottom of each cell in the top two rows to the top of the corresponding cell in the bottom row. A vertical dashed line is located in the bottom row between columns 6 and 7.
